November 27, 1985 DATE:

REPLY TO ATTN OF:

Norm Silberling, MS 919, USGS, Box 25046, DFC, Denver

SUBJECT:

Shipping of Accession 82-1-1538 in the Menlo Park Rock Storage Facility

Pro; # 9590-03509 - Dinver

Bob Boyer TO:

PA 8-776-5660?

Following up on our phone conversation earlier today, all of the material under this accession number can be shipped using funds under Project No.

9590-03509.

20.86/100 165

The 19 boxes labelled 4a, 4b, 5a, 5b, 6a, 6b, 6c, 7a, 7b, 8a, 8b, 9a, 9b, 9c, 9d, 10a, 10b, 10c, and 10d should be shipped (or mailed) to:

> Dr. George D. Stanley Department of Geology University of Montana Missoula, Montana 59812.

All the rest of the boxes should be send to me here in Denver. I'm in Room 1325 in Bldg. 25 on the Federal Center, and our Branch office room number is 1319. I haven't yet figured out where to put this stuff when it arrives, but we'll have a plan by the time it's delivered.

Many Thanks, Bos
